

About Me

Nico Combs was the host of KWDC podcast "All About Mythos" for a year, producing a total of 12 episodes teaching people about various mythologies. He has produced video content for the Delta College CalWORKs program, Delta College DARTE program, and the San Joaquin County Perinatal Equity Initiative, as well as ENGs for DCTV News. His teams won both first place and the Cal Water Golden Spigot award in the 2024 and 2025 San Joaquin County of Education's H2O Hackathons for his teams' work on social media campaigns promoting awareness of flooding and water preservation in the San Joaquin area.
